Putt-Putt,

Too bad you capped ont of ocean, it was a drag I know, but you could of hacked it. It was great going to school with you. I know you know your pretty, that's why you're stuck-up, but that's the way it goes, (ha ha.) you should just be good looking & modest like me. Have a good summer and don't get too involved with a guy because you might get in trouble & get married or [redacted]. Wouldn't that be a drag. Stay sweet & the way you are.

DEDICATION

Someone once said, "Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant with the weak and the wrong. Sometime in life you will have been all of these."

We, the 1977 Annual Flame Staff of Carrabelle High School, feel proud to dedicate this edition of the annual to a man who fits the above quote — Mr. C. W. Holder. For he has indeed been tender, compassionate, sympathetic, and tolerant. He has been principal at C.H.S. for two years. He is always where the action is, and is always ready to give advice on problems. Drawing from his past experience, he is constantly creating new ideas to better our school in some way.

The Flame Staff appreciates Mr. Holder's efforts. And appreciation is the memory of the heart.

Through life's day-to-day rhyme ———

Sometimes he's a mess!

Penny,
There have been so many good times over the years. Especially last night "76"!! I hope we have as much fun this year. I know we're gonna have a good time graduation (seniority) I hope you have a good summer and I wish you all the luck in the future!! Stay sweet and try not to get into trouble! May God bless you always!!

Love Ya,
Diane

You have rights, but not privileges.

You have authority, but not immunity.

You may suggest, but not demand.

You may advise, but not rule.

You may offer, but not inflict.

You may urge, but not compel.

You may question, but not judge.

You are special, but not better.

You are unique, but not superior.

You are precious, but not flawless.

You are outstanding, but not exalted.

You are individual, but not universal.

You are a beautiful human, but not God.

CLASS PROPHECY

We are about to board the Starship Enterprise with our Captain, Shelia K. Ric L is taking the place of Bones, and Jeff W is taking the place of Spock. Jeff M and James S III are the tour guides for our reunion. As we are about to beam up to the Enterprise, Lorenzo O comes driving up in his big black limousine. His life-time friend and chauffeur, Andy L is at the wheel! Lorenzo has made it big as a "soul singer." As we hover over Douglasville, Georgia, Kelly W, Roger W and Byron S, who are now counselors of Anneewakee Found. are coming out with their group. Guess who's still in the group! Gordon P and Tony G! Since we are already in Georgia, we are going to pick up Allen E at "Big Al's Hamburger Joint." Big Al has now improved the joint — he's got live entertainment. It features Steve B, the famous guitarist; but that's not all! Big Al's got two new topless waitresses, Carla S and Shannan D! Now we are off to California to Playboy Enterprises where we find Rosemerry M, Janet L, and Kathy M posing for centerfolds with their photographer David C. After our fun in the sun in California, we are headed for Las Vegas to Caesar's Palace where we'll pick up the head bartender, Jim B, and those beautiful burlesque girls, Shirley M, Yvonne J, Vicki M, Ellen J, Deborah O, and Diane M. Next, off to the Beautiful Bahamas where we find Bodie N and his crew Jeff B, Timmy M, Tim G, and Steve G, searching for the remains of Jock' Less Cousteau. On the way to Alaska we find Penny P with her lawyer Windsor H, who is handling her fifth divorce. In Alaska we find Reneé S, the reigning Miss Universe, presiding over the Miss Universe Pageantry. On stage Terry W and Norma C are battling for the next crown. We are now headed for Japan to pick up Janice O, the Olympic Gold Medal Swimming Champion. Also overseas we pick up Lieutenant Dewayne J and Sergeant Johnny M. Upon return to the States and Carrabelle, we find that not many of us have ever left. For example, we find Mike C on his gold-studded garbage truck and Albert R trailing behind with his Rhinestone-encrusted Dog Catchers Truck. Carrabelle has changed quite a bit since we've all been gone. It has a new Sears Store with Richard B working in the Complaint Department. Tom C is running the new dentist office with his dental assistant Pam M. The City of Carrabelle will soon become overpopulated since Mary Jo C, JoAlice M, Sandy S, and JoAnn M got married. Yes, they are producing faster than some thought! Back at old CHS we find, three new janitors (Bob K, Frank S and John G) walking down the hall with the new Principal, Geoff K.
